Corporate Governance

Corporate Governance from CityLearning is a leading training solution for insurance firms. This interactive eLearning course describes corporate governance and how it applies to your firm.

Corporate Governance offers a practical way of ensuring that your staff are trained and tested in understanding Irish corporate governance requirements in the context of the Insurance industry. All test results are recorded for easy verification of compliance training.

CityLearning is a leading provider of compliance eLearning solutions in the UK and Ireland.

Who is it For?

Insurance Corporate Governance is a tailored eLearning course for all levels of management and staff in:

- **Irish financial and credit institutions**
- **UK financial and credit institutions**

This self-paced, flexible solution gives each learner the opportunity to take their training at a time that suits them. It is one of the most efficient and cost-effective training solutions available.

What Does the Course Cover?

Corporate Governance consists of three modules, each covering key aspects and ending with a short quiz comprising randomly generated questions. A course test, also randomised and based on specific objectives of all three modules, completes the course.
